

RTA of Dubai and VIMANA Global have negotiated about cooperation

November 2, 2017 — Dubai — Kirill Nikolaev, VIMANA board member, was invited to the Roads and Transport Authority working committee in order to discuss opportunities for cooperation.

Following the private VIMANA's introduction within the Arab Future Cities Summit at 30-31 of October, Mr. Ahmed Bahrozian, CEO of the Licensing Agency from RTA, expressed interest to the project. Afterwards it has been decided to continue discussion with other RTA representatives at the working committee, which was held on 2th November.

Within the committee Kirill Nikolaev had successfully presented VIMANA and answered all interested questions. He addressed more than 10 RTA representatives, including Eur. Ing. Amair Saleem, Director Safety, Risk, Regulation&Planning Dept. Strategy&Corporate Governance Sector, Salah Mohammed Al Marzouqi, Director-integrated Intelligent Transportation Systems Division?) and Khaled Abdul Pahman Al Awadhi, Director of Automated Collection Systems Corporate Technology Support Services Sector.

“It was a pleasure to to tell about unique VIMANA features in relation to transport strategy of Dubai and answer all of the Committee's questions at that point. It is befitting that we have agreed on plans for 2017-2018 and I hope to have productive cooperation in future” – says Kirill Nikolaev.
